

# Web site for Ulnes Walton

**Ulnes Walton now has its own web site at [www.ulneswaltonpc.co.uk](http://www.ulneswaltonpc.co.uk)**

*Here you can read the latest news, check Parish Council minutes and agendas and email your messages to the Clerk to the Council. Check it out! Lots of new features are planned.*

## **First Fruits of the Parish Plan**

### ◆ *Community Cars Scheme coming to Ulnes Walton:*

*Many of you have indicated a willingness to become involved as a volunteer driver (all expenses paid) in the Community cars scheme. As a result the Parish Council has agreed to collaborate in the extension of the existing scheme, based in Eccleston, to cover Ulnes Walton. If you indicated your interest on the Questionnaire we will contact you shortly. If you didn't, why not contact Derek Ormerod on 01257 451516 and volunteer your services.*

### ◆ *Heritage Project underway:*

*The Parish Council has established a Steering Group to guide the development of a Heritage Project which it is hoped will implement many of the proposals included in the Parish Plan. All meetings of the group are 'open' and you are cordially invited to attend. More details available on the 15th. December, from the Parish clerk, Lynne Rowett or on the web site.*

## **Have your say about Regional Government**

*Sweeping proposals for the re-organisation of local government in the North west are proposed in a new report from the Boundaries Committee. These changes could have a major impact on the function of parishes like ours. The Parish Council will debate the issues involved and provide feedback to the planners. Help us by making your views known.*

### **Honour for Ulnes Walton Parish Clerk.**

*At a recent awards ceremony in Cardiff, Lynne Rowett, Clerk to the Parish received the prestigious 'Clerk of the Year' award. We know that all residents will join the Parish Council in offering their congratulations to Lynne on this splendid achievement.*
