Incidents

The two anti social crimes recorded refer to a rape on an 11 yrs old girl by a 13yr old boy which is still under investigation and a reprisal assault on the boy's mother. The burglary refers to a break into an out building on the Wymott estate where tools were stolen. The only accident recorded this month refers to an accident on Cocker Bar Rd at the junction with Dunkirk Ln which drink was a factor. There have been further reports of youths in vehicles on Holker Ln possibly taking drugs. I have spent a lot of time in the area in both marked and unmarked vehicles and to date there have not been any sightings but I will continue to monitor the area.
